Asia Research News

Asia Research News is the first and largest science communications service platform for Asia. Our mission is to increase diversity in international research news, elevate scientific voices from Asia and spread the knowledge globally. We work with top scientists in leading institutions and universities in Asia, to communicate their research, with press releases about their latest peer-reviewed papers, videos and podcasts as well as beautifully designed showcases of their research in the Asia Research News magazine.

Our highly experienced team offers a complete suite of communication services and training for research institutions looking to expand their international presence.

We welcome researchers and research institutions to join our growing community. Sign up for a free profile posting at <https://asiaresearchnews.com/join>
